Graduated with Honors from the Full Stack Program

**CSU Sacramento** | July 2005 – December 2007  
B.S. in Kinesiology with a Teaching Credential

## LATEST PROJECTS

**Portfolio Page** - React / JavaScript / CSS / Bootstrap

- Responsive site to host projects and skills

**Chorzy** - React / Redux / Firebase / CSS / Bootstrap

- Mobile first SPA for families to track chores and allowance
- Currently being used by family and friends

**Coach's Clipboard** - React / Redux / Firebase / CSS / SASS

- Mobile first SPA assessment tool for coaches and PE teachers
- Chosen for Nucamp's project spotlight and currently used

**Armored Coatings** - HTML / CSS / JavaScript / Bootstrap

- Landing page for Epoxy Company in Idaho

## WORK EXPERIENCE

**Freelance Developer** | June 2022 - present

- Currently working with Yard To Fork LLC on a web app
- Utilizing React, Redux Toolkit, Firebase Auth and Firestore
- Building customer facing PWA and admin functionality to organize, add, and update plant data and customer information
- Working with Hidden Mountain Data using Google Bigquery, SQL, and DBT to transform data.

**Front End Developer Intern for Onsite Analytics** | July 2022 - Sep 2022

- Working with React, Redux, Typescript and MUI
- Using Git/GitLab, Kanban boards and Zoom for collaboration
- Worked with JSON structures, filtering and sorting data
- Pair programming with Sr. Developer on back end and database

**Sacramento City Unified School District**

**Teacher** | September 2008 – present

- Utilized various technologies for teaching and grading students
- Built a grading app that I am currently using (Coach's Clipboard)
- Wrote Google Apps Scripts to automate grading and turn forms into documents
- Served as Department Chair for two years
